Term 2

Wyburn

'Joyful Traditions'

Physical Development

Children will explore movement, dance and fine motor control through festival themed play.

Gross Motor Skills - Manipulation and Co-ordination

Children will continue to gain control of their bodies through dance when exploring different music and traditions.

Fine Motor Skills

Children will further develop their fine motor skills when making marks for cards and manipulating play dough 'cakes' and 'decorations'.

Maths (White Rose)

Counting 1

Children will explore some of the first steps to counting using rhymes to support them and say number names in order.

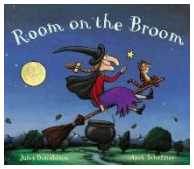
Counting 2

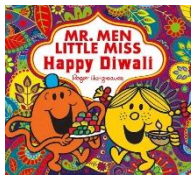
Children will begin to order number names with a specific focus on 1, 2, 3 and practise representing numbers with their fingers.

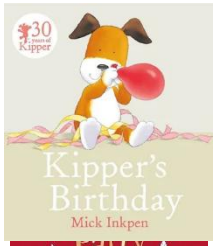
Subitising 1

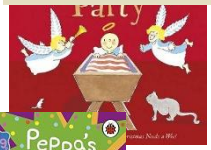
Children will develop the ability to recognise small quantities by looking not counting!

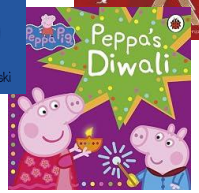
Additionally, building on from our maths learning from last term, we will continue to explore patterns through our learning about Diwali.











Communication and Interaction

Our curriculum plans provide an overview of the learning opportunities we aim to offer during the term. However, as we respond to the individual needs, interests and developmental priorities of our pupils, some activities or learning experiences may be adapted, revisited, extended or replaced. This flexible approach ensures that learning remains meaningful, engaging and appropriate for every child.

During Term 2 our focus in Wyburn will be continuing to develop Communication and Interaction skills in addition to PSED skills. This will be through play and based on the themes in the EYFS curriculum. Children will also work towards their EHCP targets.

Literacy

- Children will continue the Little Wandle 'Foundations for Phonics' programme which develops their phonological and phonemic awareness through fun, engaging games and nursery rhymes.

Sparkling Start

Creating the SRP Christmas Hoop to decorate the school hall

Marvellous Middle

Practising and sharing our Christmas event with families

Fabulous Finish

Oysters Christmas Party and festive celebrations!

Understanding of the World

- We will continue to explore different materials through a variety of messy and sensory play and use all our sense to investigate them, including weekly visits to Forest School.
- Children will begin notice differences between people as we consider how different people celebrate different traditions.

Personal, Social and Emotional Development 'Celebrating Difference'

Children will focus on exploring 'effortful control', as we develop turn taking and sharing through games and other traditions. Children will 'share' cards and consider how this makes others feel.
