Phonics

You will receive a weekly Phonics home learning sheet. This sheet will provide you with the sounds, words and sentences they have been learning. Please practise these at home together.

Reading

In school, children will read in groups three times a week. They will then receive the same book to bring home and share with you.

Maths

Children will receive a mini maths job each week that is related to our maths learning form that week. It will give you an insight into what the children have been learning and give the children an opportunity to practice their skills.

Writing

Every Friday children will receive a writing task alongside their mini maths job. This can also be returned on a Thursday with their reading book. Children will bring home a sound mat to help them in independently sounding out words.
