

Year 2 Brain Workouts

Reading

In school, children will read in groups three times a week. They will then receive the same Little Wandle book to bring home and share with you. As your children progress through the Little Wandle scheme they will move onto bridging books which can be changed as needed.

Maths

Children will receive a mini maths job each week that is related to our maths learning from that week. It will give you an insight into what the children have been learning and give the children an opportunity to practise their skills.

Times Tables

From January 2026, children will access Times Table Rock Stars. You will receive more information about this in Term 3.

Writing

Every Friday children will receive a writing task. This will be a short task that we would love to share with your teacher the following Thursday.
