

Mathematics – White Rose

Venturing through maths journey of fluency, reasoning and problem solving with a focus on...

Addition and subtraction:

Apply number bonds
Add and subtract 1s, 10s and 100s
Spotting patterns
Making connections
Adding and subtracting two numbers
Estimating answers
Inverse operations

Multiplication and Division

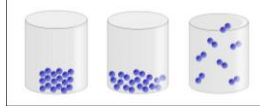

Multiplication as equal groups
Using arrays
Multiples of 2, 5 and 10.
Sharing and grouping
Multiplying and Dividing by 3, 4 and 8

Science

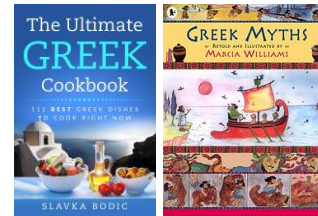

States of Matter: Is it possible to change the state of a material without magical powers?

- Through investigation, we will compare and group materials based on their properties, observe changes in state and evaluate the cause.
- We will use this knowledge and further investigations to decide how mixtures might be separated (filtering, sieving and evaporating).

Guided Reading

Decode, Explain, Retrieve, Interpret and Choice
Activities based on instructional texts and Greek Mythology.

Weekly Book Banter

D&T

Christmas Crafts!

Geography

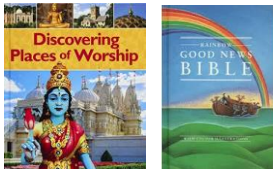

Linked to our History topic, we will compare the physical landscape between the UK and Greece.

Art

Using a range of tools and materials to depict the impact of the Ancient Greeks to accompany our research presentations!

Religious Education

If God is everywhere, why go to a place of worship?
Learning about the various purposes of a place of worship as well as how believers see these places. We will think about the idea of God's presence on earth and in believers' lives.

Sparkling Start

Greek Experience!

We will make and taste Greek food to the soundtrack of some traditional Greek music!

Marvellous Middle

Pupils turned teachers! Groups will conduct a mini lesson to teach the class the impact of the Greeks in their chosen area!

Fabulous Finish

Music-based Christmas Production!

History

Ancient Greeks

How Glorious Were the Greeks?

We will investigate, collate and present the many areas of Greek life, their achievements, and their impact on the western world!

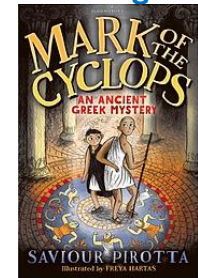

P.E.

Football

I can show basic ball control skills.
I can send the ball with some accuracy to maintain possession and build attacking play.
I can implement the basic rules of football.
I can describe and comment on something I have done wrong and begin to identify the strengths and weaknesses of my performance.
I can successfully recognise the changes that exercise causes to my body and dress appropriately for all aspects of PE.
