

Physical Development

Gross motor

We will begin to travel across a balance beam using outstretched arms to balance.

We will begin to use coordination when riding bikes/trikes and cars to avoid collisions.

We will move in different ways e.g. jump with 2 feet together, sausage roll down the bank.

Fine Motor

We will explore scooping and pouring, squeezing and rolling playdough,

We will use crayons and paint for independent mark making.

Communication and Language

We will begin to make ourselves understood using some clear words and short sentences.

We will begin to understand single word instructions.

We will engage in two-way conversations with an adult.

Sparkling Start

We will learn a new rhyme to sing to the babies

Marvellous Middle

A picnic tea with Polly and Suki

Fabulous Finish

We will go for a ride on the school bus and sing the rhymes we have learned.

Toddler Room

Term 3

Little Rhymes

PSED

We will grow in independence and try to put our coats on by ourselves.

(We will still need help with the zips)

We will express a range of emotions and begin to say what we are feeling.

We will begin to show effortful control.

Expressive arts and Design

We will use natural materials to mark make.

E.g sticks and feathers.

We will move our bodies to music, following actions by an adult.

We will make simple structures and models using boxes and tape.

Understanding the World

We will explore the changing seasons in our school grounds.
