

Maths - Fractions

This term we will be exploring fractions!

We will also be developing our understanding of mass and capacity.

Science - Magnets

In the science unit we will be continuing with our learning about forces and moving towards magnets use forces to work.

We will observe how magnets attract and repel each other and attract some materials and not others.

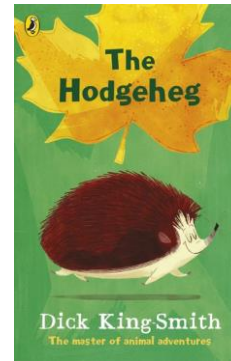

We will compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials.

We will describe magnets as having two poles and predict whether two magnets will attract or repel each other, depending on which poles are facing.

Guided Reading

The Hodgeheg
by Dick King Smith

English

The Umbrella - We will be adding words to this beautiful picture book focusing on descriptive language.

Nature poetry - We will be linking our 'journey' themed writing with an exploration of our school grounds and creating poetry based on what we find.

Easter Story - We will be linking to our RE and practising out writing and speaking skills while studying the Easter story.

PSHE - Healthy Me

This term we will be talking about how we keep our bodies and minds healthy, including exercising our bodies, healthy food, the importance of sleep, hygiene and keeping clean and keeping ourselves safe.

Art

This term we will be creating silhouette images.

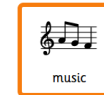

Year 3

Term 4

Music

This term Mrs Rawlings will be exploring world percussion and styles, looking at layering rhythms and structures. They will focus on maintaining a steady pulse.

This term we are reading...

Religious Education

Why are festivals important to religious communities?

We will be exploring why festivals are important to religious communities, including Ramadan, Easter and Maha Shivaratri.

Geography

I wonder what it's like to live in a different hemisphere.

This unit provides our children with the opportunity to learn about key places around the world with a focus on continents, oceans, hemispheres and Tropics, alongside learning about our neighbouring famous European cities and Britain's place in the world.

Sizzling Start:

Whitstable Library visit.

Magnificent Middle:

Poetry Slam

To celebrate National Poetry Day and the end of our poetry unit, children will perform their poetry to the rest of the year group.

Fabulous Finish:

Poetry and Art Showcase

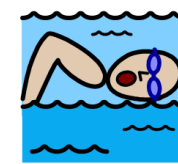

We will be inviting you to view your child's work from our Nature poetry unit after school at the end of Term 4. (More information to follow!)

P.E.

Netball and Swimming

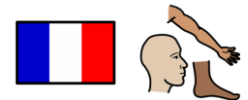

In PE this term we will be learning the basic rules and skills needed to play netball, including dodging and moving to create space and mastering chest, bounce and shoulder pass.

We will also begin our swimming sessions this term!

MFL

French - body parts

We will learn the names for our body parts, play "Jacques a dit" and learn head shoulders, knees and toes in French!
