

Mathematics

Fractions:

The children will be looking at mixed numbers and improper fraction as well as adding and subtracting fractions.

Decimals:

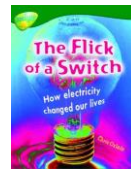

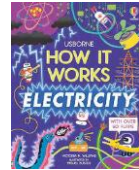

The children will be concentrating on 10ths and 100ths which will revisit the skills of dividing by 10 and 100.

Science Electricity

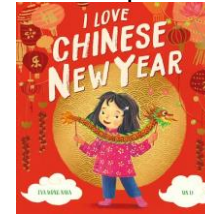

Children will learn about:

- Differences between mains and battery powered appliances.
- How to create a working circuit with a switch.
- Conductors and Insulators.

Guided Reading

A range of non-fiction and fiction texts covering different topics. Focusing on retrieval and inference questions.

English

Descriptive Narrative – Writing unit underpinned by our learning in science, focusing on describing the scenes shown in the lighthouse animation. The children will be exploring new characters and settings through drama and become confident to include speech in their writing.

Computing

Graphic Design

The children will design and create a company logo for their lighthouse.

Religious Education

Why is Jesus Inspiring to Some People?

Year 4 Term 4

D&T

Lighthouses and Battery-Operated Lights
Children to learn about the features of a lighthouse and design and construct their own model with a working circuit.

Geography

How amazing is America?

During this term, we will investigate the human and physical geography of North and South America. Mapwork supports the children's understanding of comparing the vast differences in physical and human features across the continents. Children will also look at some of the most famous American landmarks.

Sparkling Start

We will be celebrating Chinese New Year in our Guided Reading sessions and creating fortune tellers to end the week.

Marvellous Middle

We will be linking our learning in science based on Electricity to construct our own working lighthouses!

Fabulous Finish

The children will be sharing their lighthouse narratives with their peers in both Years 3 and 4 to celebrate their improved storytelling skills.

History

The Egyptians

Coming soon...

PSHE

Healthy Me

Forming and maintaining friendships
Group Dynamics
Celebrating my Inner Self

P.E.

Netball

The children will be learning the High Five netball positions as well as honing their throwing and catching skills with a focus on specific netball passes.
