

Mathematics

Length and Perimeter:

- Types of measure
- Equivalent / missing lengths

Fractions:

- Whole / Part / Partitioning
- Equivalent / Improper / mixed fractions

Science

Electricity

Was it invented or was it discovered?

- History of electricity.
- Set of skills for scientific enquiry.
- Design, production and evaluation of a product.

Guided Reading

- Little Wandle guided reading based on a range of texts.
- Wide range of stories shared across the term in addition to weekly book banter sessions.

English

- Language through Colour
- Conjunctions
- Adverbials
- Fronted adverbials
- Using personalised writing ladder to 'edit and improve' skills

Descriptive Narrative - Writing unit underpinned by our learning in science, focusing on describing the scenes shown in the lighthouse animation.

- The children will be exploring new characters and settings through drama and become confident to include speech in their writing.

PE

We will be focusing on a range of gross motor skills as well as P.E skills this term.

Children who integrate into partner classes will access P.E with their year groups.

Wiltshire Term 4

EHCP Targets

We will continue to progress towards our EHCP targets through our targeted interventions.

PSHE

'Healthy Me'

Across the term pupils will fit together the six pieces of learning about Healthy Me to create 'The Happy, Healthy Me Recipe Book'

(Healthy body, healthy mind)

Sparkling Start

World Book Day!

Magnificent Middle

Designing and building our own marble run.

Fabulous Finish

We will finish the term with an Easter egg hunt and treat!

Wider Curriculum

Children who integrate will access a range of Wider Curriculum subjects with their year group (see year group curriculum webs).

Children remaining in Oysters will receive a variety of curriculum-based lessons linked to EHCP targets.
