

## Mathematics

### White Rose

#### Multiplication and Division

We will learn how to multiply 2-digit by 1-digit numbers with exchanges. We will also learn how to divide 2-digit by 1-digit numbers with and without remainders.

$160 + 32 = 192$   
 $24 \times 8 = 192$

## Science

*I wonder which animals live in which habitats and why?*

#### Habitats and Living Things

- Understanding and sorting things by living, dead, never lived
- Exploring animals and their habitats including microhabitats.

## Guided Reading

Little Wandle guided reading based on a range of texts. Wide range of stories shared across the term in addition to weekly book banter sessions.

## English

We will begin the term focusing on sentence structure and extending our understanding of Language Through colour through narrative writing before exploring nonfiction writing by writing our own autobiographies.

#### Key Skills to be covered:

- Word Classes - ambitious vocabulary
- Sentence composition
- Phonics
- Conjunctions
- Commas in a list
- Adverbs

## PE

We will be focusing on a range of gross motor skills as well as P.E skills this term. Children who integrate into partner classes will access P.E with their year groups.

# Warhol Term 3

## PSHE

#### Dreams and Goals

*I wonder what goal I can achieve?*

We will be exploring what it is like to set a goal and the ways that can work to achieve this.

We will explore how it feels to be successful and share this with a friend.

#### Sparkling Start:

An opportunity to share and discuss our Christmas break.

#### Magnificent Middle:

KIC theatre workshop exploring the film 'Inside Out'

#### Fabulous Finish:

Wear your PJ to school day and a cocoa and virtual campfire book banter.

## EHCP Targets

We will continue to progress towards our EHCP targets through our targeted interventions.

## Wider Curriculum

Children who integrate will access a range of Wider Curriculum subjects with their year group (see year group curriculum webs).

Children remaining in Oysters will receive a variety of curriculum-based lessons linked to EHCP targets.
