

Mathematics

White Rose

Travelling on a maths journey through fluency, reasoning and problem solving.

Position and Direction

- Reading and plotting co-ordinates
 - Lines of symmetry
 - Reflection in lines

Decimals

- Adding and subtracting decimals
 - Decimal sequences
- Multiplying and dividing by 10, 100 and 1,000.

Science

Animals, including humans

In the Year 5 Science curriculum, students learn about the changes humans experience as they develop from birth to old age, including puberty. They explore these changes through timelines, research, and comparing human development with that of other animals.

Guided Reading

Reader's Theatre and Book

Banter:

Children will be continuing to develop their inference, author choice, explanation and decoding skills.

This term we will focus on non-fiction texts linked to our wider curriculum subjects.

English

The Highwayman - we will explore the language and style of the classic poem The Highwayman. Children will then write their own narrative based on the poem.

SPaG and Creative Writing - Later in the term, we will look at all things SPaG and then give the children the opportunity to creatively write.

PE

Athletics

Year 5 will be able to learn an array of athletic sports in preparation for Sports Day.

Computing

Using our whole school programme of **ilearn2**, we are able to access a whole range of fantastic units. This term, we will be exploring App Design.

Year 5 Term 6

DT

In DT, we will be designing, making, and analysing our own felt pouches!

This term we are reading...

Sparkling Start

Year 5 will be visited by our friends from Dainville, France, where we'll partake in a picnic, rounders and a tour of the school!

Marvellous Middle

The children will take part in Sports Day.

Fabulous Finish

As Year 5 comes to an end, children will be asked to reflect with each other in their own Year 5 sharing afternoon, where they can share their favourite pieces of work with their friends across the year group.

History

Crime & Punishment

Were criminals of the past treated fairly?

Children will become historians, investigating changes in an aspect of social history, such as crime and punishment from the Anglo-Saxons to the present.

PSHE / RSE

Changing Me

Using our new whole school approach programme named **Jigsaw**, we are able to access a whole range of fantastic units. These are some of the topics we will be learning this term:

- Transition into new year group and classes
- Continue to understand how the human body works.

MFL

'Going to the Seaside'
