

## Mathematics

### Fractions

Understand the whole

Counting beyond 1

Compare / order mixed numbers

Equivalent fractions

Add fractions

Subtract fractions

## Science

### Scientific Enquiry

Q- Will the ice float or sink?

Throughout the term, pupils will be carrying out an investigation which focusses on the impact of water density.

Children will need to consider if it is a fair test.

## Guided Reading

- Little Wandle guided reading based on a range of texts.
- Wide range of stories shared across the term in addition to weekly book banter sessions.

## English

### Informal Letters

Through story, pupils will explore the concept of friendship. There will be a focus on feelings and how the author uses colour to make comparison.

Pupils will identify the features of letter writing, complete a plan for their own letter and write their letter.

## PE

We will be focusing on a range of gross motor skills as well as P.E skills this term.

Children who integrate into partner classes will access P.E with their year groups.

# Wiltshire Term 5

## EHCP Targets

We will continue to progress towards our EHCP targets through our targeted interventions.

## PSHE

### Relationships

My Mental Health

Love and Loss

Power and Control

Staying Safe online

### Sparkling Start:

Exploring the school grounds and observing signs of spring to inspire our nature poetry.

### Magnificent Middle:

A day celebrating David Attenborough's 100<sup>th</sup> birthday!

### Fabulous Finish:

Taking home the seedlings we have been nurturing and growing all term.

Sats Party / Residential

## Wider Curriculum

Children who integrate will access a range of Wider Curriculum subjects with their year group (see year group curriculum webs).

Children remaining in Oysters will receive a variety of curriculum-based lessons linked to EHCP targets.
