

Term 1 2026

Wyburn

'My Little World'

Physical Development

Gross Motor Skills - Manipulation and Co-ordination

Children will know/be able to: How to follow a balance obstacle challenge
Work with others to move through hoops
Reach and stretch to retrieve and place objects
How to make different steps, strides, hops, bounces, bridges and tunnels
A variety of ways to travel over apparatus

Fine Motor Skills

To support the children's early writing skills, they will be: threading, cutting, weaving, using playdough. They will manipulate objects and draw lines and circles using gross motor movements.

Communication and Language

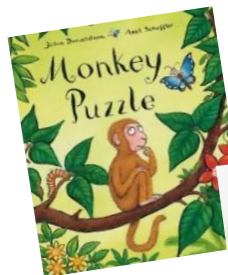

Children will continue to develop their listening, attention and communication, focusing on the following skills:

Listen to short instructions and respond appropriately
Join in simple games and group activities
Pay attention for a short period
Begin to take turns and wait for a chance to speak

Maths (White Rose)

During carpet time and Bucket sessions, we will be exploring the following skills:

Matching and sorting
Comparing amounts
Comparing size, mass & capacity
Exploring capacity
Representing 1,2 & 3

Communication and Interaction

During Term 1, our EYFS focus in Wyburn Group Room will be developing Communication and Interaction skills in addition to PSED skills. This will be through play, based on the themes in the EYFS curriculum web.

Opportunities for Expressive Arts and Design and knowledge of the world will be offered through our varied curriculum opportunities.

Personal, Social and Emotional Development

Being ME in my world

Children will begin to understand personal identity, individual strengths, and unique traits.
They will describe and celebrate their personal qualities and share information about themselves with confidence.
They will develop the skills to express who they are, build positive relationships.

Literacy

Children will identify and form letters from their name
Children will demonstrate increasing control when forming pre-writing patterns
Children will know that words can be written and the sounds that match letter shapes

Sparkling Start

Starting School and settling into school routines

Marvellous Middle

'What makes me, ME!' - sharing our Summer Scrapbooks

Fabulous Finish

'Monster Mash' Party - we will have a boogie and enjoy some spooky snacks to celebrate the end of our first term at school

Little Wandle Phonics

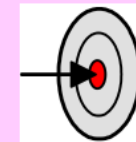

Recapping sounds and progressing through the programme using song, games, activities and exploration.

Nursery Rhyme Time

Tune into Sounds

Little Wandle Handwriting

We will be exploring pre-handwriting patterns and graphemes linked to our phonics learning.

We will continue to work towards our EHCP targets through targeted interventions.
