Term 2

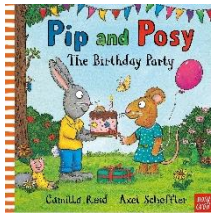

Toddler Room

'Joyful Traditions'

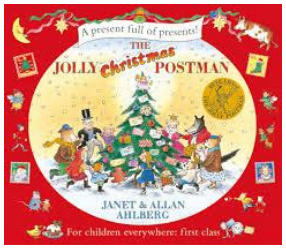

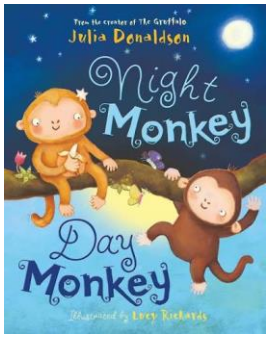

Personal, Social and Emotional Development

Children will focus on exploring 'effortful control', as we develop turn taking and sharing through party games and other traditions. Children will 'share' gifts and cards and consider how this makes others feel.

Maths

Children will compare sizes, weights etc. using gestures and language such as 'bigger, smaller, tall, heavy' when comparing different gingerbread men, presents and spiders!

Communication and Language

- Children will develop their enjoyment of singing through further exposure to a variety of nursery rhymes in 'Nursery Rhyme Week'.
- Children will use a variety of new vocabulary when exploring different traditions.
- Children will develop their understanding of different questions words such as 'Who', 'What' and 'Where', when exploring how different people celebrate different traditions.

Sparkling Start

Nursery Rhyme Week – Children will perform and share some of their favourite nursery rhymes with you!

Marvellous Middle

We will bake gingerbread men as we explore the 'Christmas Kitchen' and how people celebrate.

Fabulous Finish

Come and play with us at our 'Christmas Stay and Play' with some Christmas singing too!

Physical Development

- Children will continue to gain control of their bodies through dance when exploring different music and traditions.
- Children will further develop their fine motor skills when making marks for cards and manipulating play dough 'cakes' and 'decorations'.

Understanding the World

We will continue explore different materials through a variety of messy and sensory play and use all our senses to investigate them.

We will begin to notice difference between people as we consider how different people celebrate different traditions.
