

# Year 2 Brain Workouts

## Spellings

To support children in their spelling, children will be set weekly spelling challenges on Spelling Shed. Teachers will set spellings matched to your child's current learning that will support their progress.

Spelling Shed is an online learning platform that makes spelling practice engaging through a variety of games. In addition to accessing spellings on Spelling Shed, children will also receive a print out of their spelling list.

## Maths

Maths Shed is an online learning platform where children can carry out simple games and activities that relate to their Maths learning. A maths task will be set for the children every Friday.

Both Maths Shed and Spelling Shed can be accessed through EdShed. Your child will receive their EdShed login details on a handy card. They can access this via a computer or tablet/phone on the following website: <https://play.edshed.com/en-gb/login>

## Times Tables

From January 2023, children will access Times Table Rock Stars. You will receive more information about this in Term 3.

## Reading

All children in Year 2 will receive a banded book. Children can change their book as often as they like. A Reading Record book will accompany their banded book; this should be used as a way of communicating how your child is reading at home. Please sign the reading record and make any comments you wish to.

**You will receive a print out with all of the necessary logins for use at home, but please do not hesitate to ask your child's class teacher if you are having problems accessing anything you may need.**
