PARENT/CARER READING CAFÉ – WEDNESDAY 17TH MAY

We are back with our third Parent/Carer Reading Café on Wednesday 17th May at 9am.

Join us to learn more about how we teach reading to **our EYFS and KSI** children. We will cover the importance of Phonics as the foundation for early reading and explain more about our Little Wandle group Guided Reading sessions, where we develop prosody and comprehension skills. We will also share tips and hints for you to support your children at home using our different reading schemes.

For any parents with children in a Little Wandle Phonics group in Key Stage 2, you may also find this session useful.

Enjoy a hot drink and a cake whilst listening to a short presentation by Mrs Finch about how you can further support your young readers.

Sign up for the session [here](#).

KING'S CORONATION – FRIDAY 5TH MAY

We are looking forward to our Coronation Street Party at Joy Lane on Friday 5th May, where children can enjoy a picnic lunch outside with their friends.

Children are invited to come to school wearing red, white or blue clothes to match our royal theme and hopefully they will enjoy having their photos taken with their friends at our royal 'Selfie-Station'. All we need now is the sunshine...

Why not choose to have a special school packed lunch on Friday:

- Sandwich (choice of cheese, tuna mayo, or ham)
- Crisps
- Jelly
- Vegetable sticks
- Biscuit
- Radnor Juice

Please note that our fish and chip menu will be served on Thursday 4th May.

THE REDEVELOPMENT OF THE FORMER LADERSFIELD CARE HOME IN VULCAN CLOSE

Today the school has received a communication from Aspire Developments that deliveries and minor works on the former Ladersfield plot are due to start from Tuesday 2nd May. For health and safety reasons, the intention is that these deliveries will be outside of the school drop-off and collection times, and a traffic management system will be implemented, including additional signage for the safety of the whole community. Initial works will begin on Plots 1-5, which is the same side as the property being refurbished with the opposite side of the road being for welfare and car parking.

The developer has asked us to encourage the school community to use the main entrance where possible and parents dropping off and who frequently park on the road would be encouraged to use another entrance. Please would you encourage your children not to congregate around the entrance gates to the site as there is clearly going to be significant site traffic moving forward.

The school is meeting with the developers next week to discuss the schedule and the health and safety of the whole community and we will of course keep you all informed of any further developments or schedules.
