

STARTING SCHOOL

Our wonderful Pre-Schoolers will soon be moving on to the world of 'big school'. Here are some of the things we will be doing to prepare them for their next steps.

Supporting their school events

Children will have had information from their schools and we will work with you to ensure we prepare your child for these events.

School uniform

Children will have access to school uniform samples in the dressing up area! We will practise putting these on and off if they wish to.

Storytime

We will be sharing lots of stories about starting school and moving on. This will include discussions about emotions and making new friends.

Graduation

Children will celebrate the time they have had at nursery and celebrate this amazing new adventure. We hope to see many of you there!
