

Transition to Year 4

Term 6 is an opportunity to not only celebrate the wonderful year we have had in Year 3 but also start to think about our new beginnings in Year 4. We will be doing a variety of activities to ease any anxieties children may have and prepare them for this change!

Story time in Year 4

The children will spend some time in the Year 4 classrooms with their current teacher and enjoy a story while taking in the new surroundings.

Year 4 area visit

The children will visit the new areas of the school they will use for the important things like play time, toilets and lunch!

Getting to know you

The children will spend some time with their new classmates playing team-building games and having fun!

Jar of dreams!

We will ask the children to complete three hopes or dreams they have for next year. This could be an academic or personal aspiration.
