Dear Parents and Carers of children in Early Years and Key Stage 1,

On **Friday 13th October** we are planning an exciting event for the children as part of our World Mental Health Day. Author Lisa Bentley will be talking to the children about her books 'Mindy Nose Best' and 'Don't Judge That Sludge!'

Lisa is a hugely talented author and we are delighted to have secured a visit by her. She will be running interactive picture book sessions, bringing her stories to life through drama and art activities, talking to the children about their wellbeing and inspiring them to think about their own stories, enthusing them about the joy of reading.

Attached is a form to order an autographed and personalised version of her books. A signed book can be a permanent reminder of a special experience and can reinforce the message about the importance of reading.

Please enclose cash or cheque payable to Lisa Bentley and return to the school office. The order deadline is **Monday 9th October**. She will be donating all profits from the sales of her first book 'Mindy Nose Best', back into her cause: to help make each and every child feel beautiful inside.

We are sure you will agree that this is an opportunity not to be missed and the children can look forward to a very exciting day.

Kind regards,

Mrs S Harkins
Assistant Head Teacher / English Leader
