

## Mathematics

### White Rose curriculum:

- Multiplication
- Division

Following on from our focus on addition and subtraction earlier in the academic year, Wiltshire will now explore repeated addition / multiplication and the relationship with division.

## Science

### Space

Day is light, night is dark: discuss.

Wiltshire will explore the final frontier and discover what is in our solar system.

## Guided Reading

Wiltshire will continue to enjoy a range of genres in guided reading.

And of course...

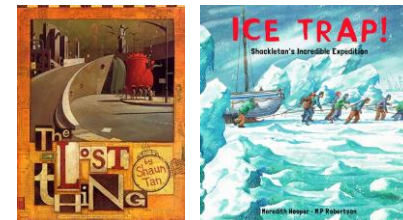

**Book Banter** every Friday!

## English

### Diary entry 'The Lost thing'

Using drama, pupils will immerse themselves in the story of The Lost Thing by Shaun Tan. Building up rich vocabulary to create extended noun phrases, pupils will write a diary entry in the first person.

### Ice Trap! Shackleton's incredible journey.

Pupils will take inspiration from this exciting tale to create their very own survival guide!

## RE

### What matters most to Christians and Humanists?

We will consider what we can learn from religions when deciding right from wrong. Wiltshire will explore this through drama and film.

## PSHE

Setting ourselves goals and ambitions for the year to come!

# Wiltshire Term 3

## Art

### Characterisation

Sketching characters and symbols from Shakespeare's famous plays. Pupils will develop their sketching skills by using shade and light to create mood.

## Computing

Wiltshire will be using 'Scratch' to develop their programming skills.

### This term we are reading...

## History

### Why were people so scared of witches?

Using Macbeth as a hook, pupils will uncover the fear, accusations, persecution and executions that surrounded witches in the 17<sup>th</sup> Century.

### Sparkling Start

Oysters SRP will be enjoying the annual trip to Marlowe to see 'Aladdin' thanks to the generosity of the Rotary Club Canterbury of Blean.

### Marvellous Middle

Wiltshire are excited to explore the theme 'People who help us' in KIC Theatre!

### Fabulous Finish

Wiltshire will immerse themselves in the mysteries of the solar system.

## P.E.

### Netball and Swimming

To continue to develop the important skills of invasion games, performing sequences and having fun!

## MFL

This term, Wiltshire will be working on French Greetings.
