

## Mathematics

**Time:** to read the time to o'clock and half past, quarter to and quarter past, to compare and order time.

**Fractions:** To be able to recognise a third and three quarters of a shape and number, to begin to understand equivalent fractions and count in fractions to a whole.

**Position and direction:** To describe movement, looking at position, identifying left and right, forwards and backwards, to identify clockwise and anti-clockwise turns.

**Statistics:** To understand how to create a tally chart, to count in 2, 5 and 10 to complete a pictogram and interpret a simple table.

## DT

### Food

Naming and growing herbs to grow plants in a healthy garden. Children will be given a seed to look after and take home. Children will make a strawberry smoothie using their knowledge of blending and balance.

## Guided Reading

- Promoting a love of reading and sharing stories.
- Little Wandle guided reading based on a range of texts.
- Wide range of stories shared across the term in addition to weekly book banter sessions.

## English

**Poetry** – we will be writing list poems counting items we need to pack for a holiday!

**Letter writing** – writing letters based on the book 'The Day the Crayons Quit'.

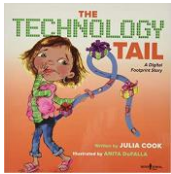

**SPAG** - Recapping the rules of plurals, contractions and suffixes (-er, -est)

Subordinating conjunctions, identify and spell word endings al, el, le, word class, to use an apostrophe to show possession.

## Computing

### Data Handling

Children will be using Microsoft and excel to input information into cells. Children will learn how to display this information in a graph format.

## Geography

### Rivers

The children will go on a journey down the River Nile whilst learning about the essential features that make a river so functional and interesting. They will end this unit by creating their own 3D river models.

# Warhol Term 6

## PSHE

### Changing Me

RSE unit taught in year groups across Oysters.

## French

### Weather and seasons

The children will be able to talk about the weather and seasons. They will be able to name different flavour ice creams and say what they like.

## RE

Why are festivals important to religious communities?

## P.E.

### Rounders

Children will learn the rules of rounders. They will build teamwork skills by learning how to field.

Children will learn how to catch and throw a rounders ball.

They will think about how to play to their strengths on the rounding field.

## EHCP Targets

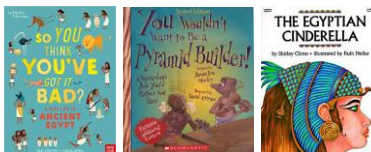

We will continue to progress towards our EHCP targets through our 'Learning to Learn' time and targeted interventions.

## History

### Ancient Egypt Depth Study:

Now the children have a strong foundational knowledge of life in Ancient Egypt, they will conduct their own research to answer the questions they began to form in Term 5.

### Sparkling Start

During our first week back, the children will be preparing for the Reading Festival.

### Marvellous Middle

A special treat! More information coming soon...

### Fabulous Finish

At the end of this term, we will be showcasing our learning from the year. Children will have an opportunity to show off all their learning.
