Science

Light and Dark

- I can recognise that I need light in order to see things.
- I understand that dark is the absence of light.
- I notice that light is reflected from surfaces.
- I can recognise that light from the sun can be dangerous and that there are ways to protect our eyes.
- I understand that the formation of shadows happens when light from a source is blocked by a solid object.
- I can find patterns in the way that the size of shadows change.

Guided Reading

- Promoting a love of reading and sharing stories.
- Little Wandle guided reading based on a range of texts.
