

Mathematics

The children will continue to strengthen their **arithmetic** skills, including a focus on the four written methods, fractions and times tables. They will also consolidate their understanding of shape, space and measure.

PSHE

RELATIONSHIPS

- What is Mental Health?
- My Mental Health
- Love and loss
- Power and control
- Being online- Real or Fake? Safe or unsafe?
- Using technology responsibly

Guided Reading

We will explore a diverse range of texts and genres to expose them to a rich diet of reading. We will also be preparing for SATs and looking at our script for the end of year production: 'We Will Meet Again!'

And of course...
Book Banter every Friday!

English

ALMA

This term, our English will be linked to a narrative piece entitled 'Alma'. Through the study of this short animation, we will be exploring character development and scene setting.

Science Life Cycles

Building on our previous learning, the children will focus on growth and reproduction in animals. The children will explore an animal of their choice and present their knowledge in a range of ways using meta-cognition skills.

Year 6 Term 5

Music

Working collaboratively, the children will begin to learn the songs for our WW2-themed production: 'We Will Meet Again!'

This term we are reading...

Art - Sculpture

WW2 Artist Study:
Who was Henry Moore?

Modelling, Sculpture and
Wax Resistance

History

How was our hometown affected in WW2?

If you had grown up in WW2 what signs of war would you have seen locally?

The children will be investigating how WW2 affected Whitstable and the surrounding areas, including the following focus areas:

- Causes of WW2, The Blitz and Evacuation
- Rationing
- Maunsell Forts and Battle of Graveney Marsh

Sparkling Start

We will begin the term reading 'Letters from the Lighthouse', which will set the scene for our learning based on WW2.

Marvellous Middle

End-of-SATs Party to celebrate the children's achievements.

Fabulous Finish

We will be enjoying our Residential/Base Camp activities.

P.E. – Cricket

I can throw and catch a ball (of varying sizes) with consistency and accuracy, using one and two hands.

I can hit a ball (of varying sizes) with consistency and accuracy, using different bats and parts of the body.

I show a secure knowledge of sportsmanship and explain the importance of teamwork.

I show a secure knowledge of what happens to the body during exercise and explain the benefits that regular exercise has when working towards a healthier lifestyle.

MFL

Café Culture and Restaurants:

Children will be designing menus and enjoying role play.
