

Mathematics - White Rose

Multiplication and division - To recall multiplication and division facts for the 2-, 5- and 10-times table, to recall double and half facts and recognise odd and even numbers.

Length and Height - To measure in centimetres and metres, compare and order lengths and height.

Science

Rocks, Fossils and Soil

We will be investigating the properties and characteristics of rocks and soil.

Guided Reading

- Promoting a love of reading and sharing stories.
- Little Wandle guided reading based on a range of texts.
- Wide range of stories shared across the term in addition to weekly book banter sessions.

English

Little People, Big Dreams: Mary Anning Our writing will be inspired by the story of Mary Anning.
Descriptive writing - We will be practising our Language Through Colour skills and writing about volcanoes.

EHCP Targets

We will continue to progress towards our EHCP targets through our 'Learning to Learn' time and targeted interventions.

PSHE

Relationships: We will be learning about family relationships, friendship and being a global citizen.

Relationships

MFL

We will learn some names of fruits and vegetables in French.

Warhol Term 4

PE

Athletics and Swimming

We will be developing our track and field athletics skills by learning a combination of jumps, recognising how to use pace when approaching hurdles and learning to throw.

Sparkling Start:

Rock gallery! The children will explore a variety of different rocks and minerals.

Magnificent Middle:

Witnessing a model volcano erupt.

Fabulous Finish:

Practising for Sports Day next term!

Geography

Extreme Earth: We will be exploring the structure of the earth and how volcanoes are formed, before moving on to finding out why earthquakes happen.

Religious Education

Why do people pray?

We will learn about how and why people of different faiths pray.
