

Mathematics

White Rose

Traveling on a maths journey through fluency, reasoning and problem solving

Fractions

Pupils will learn to understand the whole, progressing onto improper fractions.

PE

Rounders

Year 5 will be able to learn an array of tactical aspects of rounders and apply these within a game setting towards the end of the unit.

Science

Properties and Changes of Materials

Investigating how materials change their states of matter. Compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, conductivity. Give reasons, based on evidence from comparative and fair tests, for the particular uses of everyday materials, including metals, wood and plastic.

Guided Reading

Readers' Theatre and Book Banter:

Children will be continuing to develop their ability to read aloud with fluency and expression to ensure they are aware of their audience.

We will be reading a variety of texts linking to our topics this term.

English

Migrants (diary entry writing) –

Children will have the opportunity to read a gorgeous picture book, understanding how groups of animals move from one place to the next taking all of their equipment and homes with them. Through guided reading sessions and sentence building in English lessons, children will empathise with one of the characters to write their own moving diary entry.

Computing

Using our whole school programme, **ilearn2**, we are able to access a whole range of fantastic units. This term, we will be exploring 3D Design.

Wiltshire Term 5

DT Project!

Arriving in Term 6

History

Coming next term!

PSHE / RSHE

Relationships

These are some of the topics we will be learning this term through Jigsaw:

- Knowing how to make friendships
- Solving friendship problems
- Helping others to feel part of a group
- Understand and show what makes a good relationship

Religious Education

What does it mean to be Muslim in Britain today?

This unit enables pupils to learn in depth from different religious and spiritual ways of life about being a follower of the Muslim religion. Pupils explore the five pillars of Islam and the importance of these to Muslim believers.

Sparkling Start

Mr Ashley-Jones 60th birthday. Cards, assembly, wake 'n' shake and cake!

Marvellous Middle

After learning about the European Union, the children will have the opportunity to take part in a 'Remain/Leave' vote and explain their thoughts to their peers.

Fabulous Finish

We will be sharing all of our wonderful Migrant diary entry writing within a sharing afternoon with snacks and squash!

Geography

Exploring Europe

What makes Europe a united continent?

We will be exploring why Europe is a united nation by investigating trade and the role of key ports in relation to the rest of Europe. Later in the unit, the children will understand the impact of the UK leaving the EU and explore the events that have happened over the past 5 years and what impact that has had on the future of Britain.
