

Mathematics

Pattern:

Rhymes and repeating.

Shape, Space and Measure:

Shape puzzles and jigsaws.

Pattern:

Making patterns together

Subitising:

Make games and actions

Understanding the World

Daily discussion about the weather, day of the week and month of the year.

Continue to notice and investigate plants and growing.

Become curious when exploring and investigating. Ask I wonder why questions? Explore and talk about different forces they can feel.

Communication and Language

Encourage how, why and I wonder if questions.

The children will begin to use extended vocabulary using books and visual clues as prompts.

Encourage the children to use joined up sentences such as "I like ice cream because it makes my tongue cold."

Personal, Social and Emotional Development (PSED)

Children will take responsibility for the care of our plants

The children will take increasing responsibility for the classroom and outside area. (washing up/sweeping the sand/watering the plants)

Children will begin to understand others' feelings and begin to talk with others to resolve conflict.

The children will collaborate with each other to build structures using junk modelling materials.

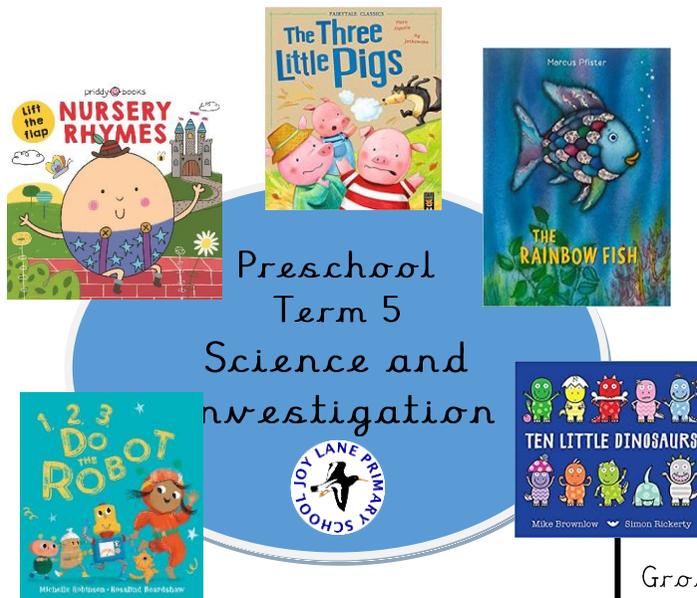

Expressive Arts and Design

The children will self-select resources to use for creating and building structures.

Join different materials and explore different textures.

The children will begin to express feelings and emotions through music.

Preschool Term 5 Science and Investigation

Sparkling start:

Let's build a house for the three little pigs.

Marvellous Middle:

Rainbow STEM challenges.

Fabulous Finish:

Let's excavate dinosaur bones, what dinosaur do we think they belong to?

Literacy/ Phonics- Little Wandle

Sounds of the term:

U, r, h, b, f, l

Match names to the initial sound.

CVC oral blending

Physical Development

Forest School sessions

Daily wake and shake up sessions

Gross motor activities outside - climbing frame, bikes, assault courses, bats and balls, mini hurdles

Learning to run, ride, climb, jump and balance safely

Sand and water play

Daily mindfulness / yoga

Children will use large muscle movements by creating dance with colourful streamers.

Select tools for planting, use gross motor movements for digging and fine motor skill for planting seeds.

Outside, the children will work together to build a large-scale project like; robots, a wall for humpty dumpty and houses for the 3 little pigs.
