

Mathematics

Division – x2 weeks including division using the formal ‘bus stop’ method, commutative properties of times tables facts and dividing by 1 and 0.

Properties of Shape – x3 weeks including identifying and comparing right, acute, obtuse and reflex angles and identifying and classifying triangles and quadrilaterals

Statistics – x1 week including interpreting and drawing bar charts and pictograms.

Science

How versatile are our materials?

In this unit, the children will compare and group together everyday materials based on their properties. Our lessons include:

- Insulating ice cubes to free the trapped Lego men!
- Separating mixtures
- And investigating irreversible changes

Guided Reading

Skill Focus: Inference & Retrieval

How to Train your Dragon

by Cressida Cowell

In Flanders Field by John McCrae

A Christmas Carol by Charles Dickens

English

- **How to Train your Dragon** – diary writing from the point of view of Hiccup the Horrendous, based on the lead up to Thors'day Thursday.
- **Remembrance Poetry** – based on the poem 'In Flanders Field'.
- **Man on the Moon** – newspaper article based on The Man on the Moon John Lewis Christmas advert.

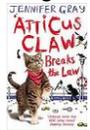

Year 4 Term 2

PSHE

Living in the wider world

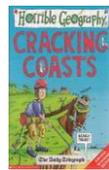

This unit explores rights and responsibilities in school and at home, how rules and laws are made and enforced and the values and customs of people living elsewhere.

Geography

Our Changing World

Children to use our local environment as a case study to explore changing coastlines, boundaries, landscapes and erosion.

D&T

Lighthouses coming in Term 3!

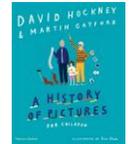

Exciting DT project designing and creating working lighthouse models!

Art

How do artists use different techniques?

Explore and compare artwork of Hepworth, Heron and Hockney.

P.E.

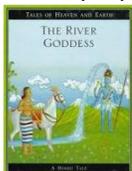

Netball

I can often catch and pass the ball while under pressure.
I can show tactical awareness and apply it in a game situation.
I can identify strengths and weaknesses of my own and others' performances and understand the importance of good sportsmanship.
I can understand and explain the importance of a warm up and suggest appropriate warm up ideas.

Religious Education

What does it mean to be a Hindu in Britain today?

Children to explore what being a Hindu means and looks like in the modern, everyday world.

Sparkling Start

How will we free the trapped Lego men from the ice? The children will use their understanding of thermal insulation to free the Lego men and safely return them to their boxes!

Marvellous Middle

We are off to explore the coastline! In line with our Geography unit, Year 4 are off to the beach to explore coastlines and erosion.

Fabulous Finish

All things Christmas, from parties to artwork, cards and hoop decorations for our hall – it is time to get festive!

History

Marvellous Mayans

Coming in Term 3...

ICT

Digital Literacy

Children to explore the different ways to communicate using ICT in our everyday lives.

This term we are reading...

MFL

Quelle heure et il? French Time!
