

Mathematics –

White Rose

- **Number** – place value. How many tens and how many ones in a given number. Counting backwards and forwards, writing numbers to 20 in numerals and words.
- **Number** – addition and subtraction. Add by making 10, subtract crossing 10.
- **Shape** - Children will recall names of 2D and 3D shapes explore these further by sorting them and creating patterns with them. (Continuation from term 2)

Reading

I wonder what my friends like to read?

- Continuation of 'Book Banter' where children have the chance to talk about and discuss their favourite stories and what they love to read.
- Guided reading unit based on 'The Way Back Home'

Science

I wonder where different animals live?

The children will learn about animals and their habitats. Trips to Forest School will focus on microhabitats.

Materials and their properties – the children will carry out an investigation to explore floating and sinking.

English

- The children will create information posters based on the Wright brothers.
- Linking to habitats in Science, the children will create their own animal fact file.
- Explore rhyming words.

Key Skills to be Covered:

- Segmenting to write words.
- Further consolidation of sentence structure.
- Continuing Phase 5 sounds.

PSHE

I wonder how I can look after my well-being?

- The children will have circle time discussions and practise different ways to meditate.
- We will explore gratitude and how this impacts on our well-being.
- Each child will make their own positive affirmation.

History

I wonder what explorers did in the past?

- Timeline focus for key historic space events.
- Significant individuals in history: Neil Armstrong, Christopher Columbus, The Wright Brothers
- Modern day explorer: David Attenborough

Year 1 Term 3 'Explorers'

I wonder where people have explored?

Art

I wonder how to make different animal patterns?

- Children to use a range of techniques to create different patterns, textures and lines.
- Artist study Henri Rousseau's 'Tiger in the Jungle.'

What learning has stuck with you?

Religious Education

I wonder who celebrates Passover and Eid?

Children to explore how and why people of the Jewish faith celebrate Passover and Muslims celebrate Eid.

Sparkling Start

KIC Theatre – Space Marvellous Middle

- Trip to the Gulbenkian Theatre: 'Hibernation'
- Chinese New Year Day

Fabulous Finish

- DT day: Construction of your favourite method of travelling – A boat like Christopher Columbus? A plane like the Wright brothers? Or even a hot air balloon?

Geography

I wonder where different animals live around the world?

The children will learn about the seven continents.

P.E.

I wonder how animals move?

Gymnastics – children will learn to travel safely in different ways: bounce, hop, hopscotch. They learn to jump safely on to the ground from equipment. They will put contrasting movements together to form a sequence.

D&T

- Christopher Columbus boat building.
- Cooking (explorer snacks and Chinese New Year)
- Making rockets

ICT

Children to focus on e-safety and the importance of not sharing personal information.

MFL

Animales! Spanish animals
