

Mathematics – White Rose Statistics

This term we will be learning to read, interpret, compare and present data on bar charts and line graphs.

All pupils will work towards their times tables targets. In addition, children will continue to strengthen their arithmetic skills.

Science Light

We will be making the most of our sunny days to explore the formation of shadows and rainbows! Through this, we will learn about the properties of light.

- Light only travels in straight lines.
- Light is reflected from surfaces
- Some objects can block light
- Dark is the absence of light

Guided Reading

Decode, Explain, Retrieve, Interpret and Choice (DERIC) activities based on a variety of environmental poetry and song lyrics.

English

- Description of fantasy setting – A world before humanity
- Persuasive writing – After dissecting speeches made by inspirational people, we will be writing speeches to persuade our community to reduce their carbon footprint.
- SPAG focus
 - Coordinating Conjunctions
 - Organisational Devices
 - Prepositions
 - Time Conjunctions
 - Paragraphs

PSHE Young Citizens

- Money – Wants and Needs
- Belonging to a community
- Taking care of ourselves
- Taking care of our environment

MFL French Ordering Food

ICT

Computer Science

The children will learn how to implement algorithms, debug programs selection and learn basic coding and simulation.

RE

Christianity

In RE this term, we will discover the history of Christianity and explore important figures, places, objects and symbols.

Mackintosh Term 5

Sparkling Start

Earth Day! We will be taking part in a variety of activities that will increase our awareness of how greenhouse gasses are formed and what we can do to reduce them!

Marvellous Middle

Amidst a busy term, some of us will heading off on an adrenaline-filled residential trip. Those not going will be having lots of fun back at school! Either way, we will all be encountering new experiences and creating life-long memories.

Fabulous Finish

French Café!

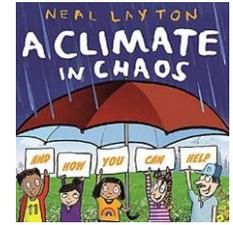

It's time to rendezvous at Le Petit Bistro, browse the menu and order our food in French, all while listening to some French classics.

D&T Rivers

We will be using natural resources in our forest school to recreate the features of a river.

This term we are reading...

P.E. Cricket

I can catch a wind ball consistently showing the correct technique. I understand all tactical aspects of cricket and apply similar rules to a modified game.

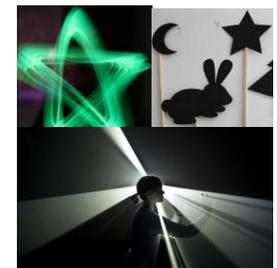

I identify different levels of performance and use specific vocabulary when evaluating performances.

I can suggest appropriate warm up ideas and work in a sensible and safe manner.

Art

Creating artwork for our French Café, inspired by the work of Claude Monet.

Using our photography skills, alongside our knowledge of light, to create art using glowsticks and other light sources!

Learning to Learn

A range of activities designed to target the individual needs of each child, linked to their EHCPs.

Geography Rivers

This term we will be taking to the great outdoors to name and locate some of the world's major rivers, explore their key features and journey through the water cycle!
