- Ask at the office for a copy of the registration forms for Whitstable library.
- Need more to read? Explore www.booksfortopics.com which is a great website for exploring children's literature. The website makes recommendations for age-appropriate texts, matches fiction books with different learning themes and has a direct link to Amazon if you wish to buy any of them.

Recommended Reads for Year 1

This leaflet contains the ultimate reading list for your child's year group. As well as being an enjoyable pastime, reading impacts hugely on children's reading and writing ability and general learning. We encourage children to read as much as possible, both at home and in school. As your child's reading ability develops, they may be able to read some books on the list with support; however, many are for you to read to them and simply enjoy together. To assist with the difficult task of choosing a new book, we have put together a recommended reading list for each year group across the school.
