September 2018

Oyster Bay Nursery & Oysters SRP (ASD)

Executive Headteacher: Ms D J Hines

Head of School: Mr M Ashley-Jones

Dear Parents and Carers

## SWIMMING LESSONS FOR PUPILS

We are pleased to inform you that children's swimming lessons for **Nursery, Years 4, 5, 6 and Oysters Group** will commence in September 2018. Lessons are designed to promote enjoyment and confidence in the water, leading up to stroke technique and the learning of key skills (diving, jumping, treading water, sculling, turns, etc). Lessons are led by Mr Dowling and his team of fully qualified, experienced and dedicated swimming instructors. On swimming days, please can you ensure that your child has all the necessary kit (costume, towel, goggles). Swim hats will be provided by the school. To see what day your child is swimming, please refer to the swimming timetable.

Our swimming program follows the Amateur Swimming Association National Plan of Teaching Swimming. This ranges from Duckling Awards 1 – 4, Stages 1 – 7 and Advanced Stages 8 – 10. These levels are recognised qualifications at swimming schools across the country.

At Joy Lane Primary School we are extremely fortunate to have this wonderful resource on site and I am sure you will agree that the children benefit immensely from learning an essential life skill that will stay with them forever. The Governors and I feel the lessons offer extremely good value for money and therefore, we will continue to subsidise these to ensure the high quality teaching continues. Our first priority is keeping your child safe and therefore, as a school, we are committed to increasing the number of children who are able to confidently swim and see this as being particularly important given the school's location close to the sea.

**The cost of swimming lessons per term is £15 (approximately £2 per lesson). We would like to continue to provide these for 3 terms for all of our pupils, thus making the total cost £45 (unlike the vast majority of primary schools, who only provide swimming lessons for 1 term). With ever increasing budget constraints placed upon schools to make savings and cut costs, it is imperative that all parents help contribute towards their child's swimming lessons. If only a small handful of parents pay their swimming fees, the school will consider reducing lessons to 2 terms (those who have paid the full amount will be refunded 1 term of lessons). Therefore, please ensure payment is made to ensure your child receives 3 terms worth of lessons.**

There are various ways you can make payment. All payments must be made in advance of your child's swimming lesson either by card, or via our on-line payment system. If you would like to discuss swimming pool payments privately, please do not hesitate to contact Mr Ashley-Jones, Head of School or either of our two Family Liaison Officers.

I would also like to take this opportunity to remind you that swimming is part of our school enrichment curriculum and is not optional; however, if your child has a medical reason for not attending swimming lessons, please contact the class teacher to discuss the issue.

As previously stated, your child's swimming lessons are heavily subsidised by the School and in order for this wonderful resource to remain sustainable, we will be closely monitoring the payments received for the lessons and would ask you to complete and return the attached slip to the School office.

Thank you once again for supporting your child's swimming lessons.

*Ms D J Hines*
