Dear Parents & Carers of Pupils in Hepworth & Hockney Classes

Dogs Trust Workshop Questionnaire

Dogs Trust will soon be visiting our school to deliver some of their engaging and exciting workshops, and we really look forward to welcoming them.

The aim of the programme is to create a new generation of safe and responsible dog owners, and in order for them to be as effective as possible, it is necessary for Dogs Trust to evaluate the effectiveness of their workshops.

This will simply involve pupils filling out an anonymous and easy to understand questionnaire either before or after the workshop.

No personal information or anything that could identify an individual is ever collected at any point from the children. The only thing Dogs Trust is assessing is how successful the workshop has been.

Should you prefer your child to not be included in the evaluation simply let the school know and Dogs Trust will be happy to omit them. If you are happy for your child to be included, there is nothing more you need to do.

If you have any additional queries, please don't hesitate to contact Dogs Trust at educ@dogstrust.org.uk

Yours sincerely

S Harkins
