Years 5 & 6	Thursday 22 nd November	2.15pm – 3pm & 6pm – 6.45pm

If you would like to attend a session, please complete and return the slip attached to our recent letter.

#ROAR 2018

#Roar 2018 is a PSHE competition for primary schools in the East and South of England, and this year it is being led and organised by the ideas company '7 Billion Ideas'. This year, we have been nominated by the Whitstable Lions to take part in this exciting event.

The competition requires the children to generate and develop an idea that could change the world. This could be anything as long as it has a positive impact on the planet and makes people smile!

This project will have the following impact:

- 1) Drive an entrepreneurial spirit across the group
- 2) Build confidence in speaking, listening and teamwork skills
- 3) Encourage empathy and kindness as they think about how to help others

Back in September, the competition was kicked off with a roadshow assembly led by a representative of 7 Billion Ideas. Next week the children will work in groups of three within their classes to do the following:

Part 1) Generate – come up with and develop an idea

Part 2) Design – design a poster and make a model of their design

Part 3) Advertise – create a catchy jungle and slogan

Part 4) Present – develop an elevator pitch to let their class know about their world-changing idea

After several heats, one team will be put forward to the competition in December (more details to follow).

Over the weekend, please remember to save any junk modelling materials so that the children can create their prototypes.

We are looking forward to an exciting week and will keep you posted with the children's developments on Class Story.

PARENT ALERT!

MiSafes' child-tracking smartwatches are 'easy to hack'

A location-tracking smartwatch worn by thousands of children has proven relatively easy to hack. A security researcher found the devices neither encrypted the data they used nor secured each child's account.

As a result, he said, he could track children's movements, surreptitiously listen in to their activities and make spoof calls to the watches that appeared to be from parents. Experts say the issues are so severe that the product should be discarded.

DOGS TRUST WORKSHOPS

Dogs Trust Key Stage 2 Workshops

On Friday 23rd, Monday 26th and Tuesday 27th November, the Dogs Trust will be visiting Joy Lane to provide curriculum-linked lessons that teach children about responsible dog ownership and staying safe around dogs. The lessons are designed to naturally embed PSHE, as well as promote discussion around actions and consequences, and encourage critical thinking. (Please note that there will not be a real dog present at the workshops.)

Children in Years 3 to 6 will take part in one-hour long classroom workshops based around the following:

- Year 3 – PSHE
- Year 4 – Numeracy
- Year 5 – PSHE
- Year 6 – History

We look forward to these interactive and practical workshops with the Dogs Trust.

OYSTERS' SNACK SHACK

Roll up! Roll up! Children of Oysters can now purchase items from the Snack Shack at break times. Starting on Monday, Oysters will have their own mini Shack run by some of their older children. As with the main Shack, everything costs 40p.

FIRST NEWS

First News is a weekly newspaper for young people, reporting the news in an interesting and relevant way. You will have received a leaflet promoting Christmas subscriptions, and for every one purchased by a parent or carer of the School, we will receive £2.

FOOTBALL NEWS

JLPS Boys School Team v Davington Primary School - JLPS 2 Davington Primary 0

On Tuesday 13th November, the first team squad travelled to Davington Primary School in Faversham for their 4th League match of the season.

In the early stages, the play was very much 'end to end' with both teams creating chances. The deadlock was broken following a super corner from Hayden, met with a bullet header from Alfie. We led 1 – 0 at half time. The lead was doubled by Daniel, who ran through to beat the keeper with a firm finish. Zach did well to keep a clean sheet, supported by a determined overall team performance. Congratulations to all involved.

Squad: Zach K, Hayden R, Sid A, Oscar T, Alfie S, Charlie B, Daniel P, Henry G, Oran S.

Next Match – Tuesday 27th November Home v St Mary's Catholic Primary School

League Results:

JLPS	6	Reculver	1
Hampton	1	JLPS	0
JLPS	6	Whitstable Jnrs	1
Davington	0	JLPS	2
