Dear Parents & Carers

Open Swim Week 17th – 21st June

We are delighted to invite you to our first 'Open Swim Week' which will take place between Monday 17th - Friday 21st June. This will give you the opportunity to see how your child is settling into their swimming lessons, how much progress they have made and the fantastic facilities we have at Joy Lane Primary School.

If you would like to attend, please use the table below to see what time your child is swimming and closely observe the guidelines below:

- Please make sure you sign in and out at the main reception
- Please ensure your footwear is clean and suitable for poolside
- Parents/Carers will be asked to wait outside the swimming pool until all children are changed and ready for their lessons (about 10 minutes into the hour-long session). Parents/Carers will also have to leave the building at the end of the swimming session
- Unfortunately due to space restrictions, we can only invite a maximum of 2 adults per child this open session. For Health and Safety reasons younger siblings/babies cannot attend this session as we need to keep distractions down to a minimum for our swimmers and instructors.
- Please do not disturb the instructors and keep communication with your child to a minimum to help the smooth running of lessons.
- If you need to use the toilet during the session then you will have to return to the main reception to use the facilities
- Please note that for Oysters lessons on a Thursday, group 2 are swimming for this term. Please ask a member of the Oysters Team if you are unsure if your child is swimming this term.
- For nursery swimming, please ask a member of the nursery team about the exact time your child swims.

Please complete and return the attached slip by Friday 7th June if you wish to see your child swim.

We look forward to seeing you on pool-side!

Mr R Dowling
