Dear Parents/Carers

I wish to say a huge thank you to parents and carers for responding so well to the request to wear face masks when entering the school site. It was truly heartening today to see so many of you willing to co-operate with the school and playing your part in keeping our children and staff safe. However, we understand that there are reasons that some of you may be exempt from wearing a face covering.

At the full board meeting on Monday evening governors discussed the wearing of masks on the school site because it had been noticed that social distancing is not always being observed.

Thank you for your continued support in these strange and challenging times.

Kind regards

Chris Graves
Chair of Governors
