Thursday 1st October 2020 is School Census Day, which is the day when the government take a count of all the children that we have in our school to calculate our funding for the year ahead.

The number of children choosing a school dinner on that day decides a large element of the funding, and as a result, we would like to encourage as many children as possible to opt-in for a school dinner on this day.

We have an exciting, alternative menu for Census Day this year, and we hope to see lots of children enjoying this meal. (Please note that Thursday's menu will be served on Friday.)

Please indicate whether your child will be choosing a school meal on this day on the electronic form sent out (even if your child is eligible for Free School Meals or Universal Free School Meals). The cost of a school meal is £2.30 payable via ParentMail.

Thank you for your ongoing support.
