Dear Parents and Carers

## **JLPS Lockdown Learning Guide and Top Tips**

We have all had to adapt to new ways of working, so we wanted to take the opportunity to say what an amazing job you are doing supporting your child's wellbeing and learning during this time. We have created a 'JLPS Lockdown Learning Guide and Top Tips' to support you further as you navigate the hectic, rewarding and sometimes overwhelming life of remote learning. In this, we will share some timesaving tips and reassurance around our expectations as a school.

## **Parent/Carer Remote Learning Survey**

To help us make sure we are providing the right support for you and your child, we would like to know your thoughts on our current approach to home learning. This will help us to find out what we are doing well and where we could support you further, as well as making sure we are meeting the needs of you as a family.

Please take the time to fill in this short survey, which should take you only five minutes to complete; I ask that you complete this by Monday 8<sup>th</sup> February 2021. Please click [here](#) to access the survey.

Your feedback is very important to us and will be used to tailor our approach in the coming term.

We hope that you and your family remain safe and well.

Warmest regards,

*DJ Hines*
