Dear Parents and Carers,

Phew! We all made it to the end of term! A big thank you to you all for your support and efforts in facilitating remote learning for your child or children and now is just the right time to have a well-deserved half-term break.

Following feedback from our online survey and discussions and conversations with our Teaching Staff and children, we are proud to present the updated edition of our Remote Learning Guide for Parents and Carers which is attached.

Early next term, the Government will be publishing new guidance which will give us an indication of when to expect Schools to be fully re-opened again; I do hope that this will be sooner rather than later for the benefit of all.

So, do have a good 'screen break' and give your eyes and the children's a good rest and hopefully you will be able to get out and about and enjoy a walk or two in the early Spring sunshine!

Yours sincerely,

*DJ Hines*
