Dear Parents and Carers of children in Year One and Year Six,

Further to my letter of earlier today, I would like to clarify that the isolation for children stops on **Saturday 19th June at 23:59** (not on Sunday 20th June 2021 as previously stated) – apologies for the confusion but happily, it now means the children will be able to leave the house on 'Father's Day'!

Siblings

I know many of you have other children in other year groups across the school and they are all expected to come to school as usual.

As you are aware, the children in year 1 and year 6 groups are required to self-isolate at home and are not allowed in any public spaces; for this reason we understand you may find it difficult to arrange drop offs/collection of your other child/children. I have been made aware that some of you have already paired up with other friends and family to help bring your other children to and from school. If you have no other options, please contact us to arrange an alternative drop off/pick up arrangements.

Our teaching staff have been busy preparing the activities for the remote home learning activities and they will inform you via the usual communication channels.

Please do not hesitate to contact me if I can be of any further help during these ongoing, challenging times.

With warmest regards,

DJ Hines
