Dear Parents and Carers,

As you are aware, we had our Ofsted inspection on March 12th and 13th and I am delighted to report that our school has been judged as **'GOOD'**!

You may view the report on our school website 'www.joylane.kent.sch.uk' or the Ofsted website or you may ask for a paper copy from our School office; in the meantime I have précised the report for your convenience. A letter from the Lead Inspector, Selwyn Ward, to the children has been sent home with your child also.

I would like to thank you all for supporting Joy Lane Primary School during the amalgamation and since. I have received a letter from the Principal Advisor for Primary Schools for Kent who states that 'we have done a remarkable job in creating this new school in such a short time of opening and being graded by Ofsted as good'; this is a testament of hard work from all Staff and Governors in supporting the vision to provide an excellent all round education for all our pupils at Joy Lane Primary & Nursery School and of inspiring our local community.

Please take the time to read our 'Ofsted Times' and the letter from the lead Inspector.

Finally, I would like to reassure you that we at Joy Lane Primary & Nursery School will continue to raise standards and provide an enriched curriculum where every child continues to achieve.

Yours sincerely,

Ms D J Hines
Headteacher
